# **OBTAINING AN ORDER**

# For Mandatory or Precautionary Quarantine Under Governor Cuomo's New COVID-19 Paid Sick Leave Law

The law provides guaranteed job protection and paid leave for New York employees who are unable to work while subject to a COVID-19 precautionary or mandatory order of quarantine.

### **What Employees Need to Do**

To get an order of precautionary or mandatory order of quarantine or isolation due to COVID-19, you should contact your Local Health Department (LHD). You can search for your LHD on the New York State Department of Health website at <a href="https://www.health.ny.gov/contact/contact\_information/">https://www.health.ny.gov/contact/contact\_information/</a>. LHDs should provide written orders in a timely manner.

If your LHD is unable to *immediately* provide you with an order:

- 1. Submit documentation from a licensed medical provider that has treated you, attesting (as described below under "DOCUMENTATION GUIDANCE") that you qualify for the order; AND
- 2. Follow up with your LHD to obtain the order and submit it to your insurance carrier as soon as it is available. LHDs must provide requested orders within 30 days.

#### **DOCUMENTATION GUIDANCE**

The documentation from your licensed medical provider must include:

- If you are subject to Mandatory Isolation, an attestation that you meet one or more of the following criteria:
  - 1. You have tested positive for COVID-19; OR
  - 2. Testing is currently unavailable to you, but you are symptomatic and have had contact with a known COVID-19 case.
- If you are subject to Mandatory Quarantine, an attestation that you meet one or more of the following criteria:
  - 1. You have been in close contact with someone who has tested positive for COVID-19 or is currently in mandatory isolation; OR
  - 2. You are symptomatic and have returned within the past 14-days from a country designated with a level 2, 3, or 4 advisory for COVID-19.
- If you are subject to a Precautionary Quarantine, an attestation that you meet one or more of the following criteria:
  - 1. You are asymptomatic and have returned within the past 14-days from a country designated with a level 2,3 or 4 advisory for COVID-19; OR
  - 2. You have been determined to have had proximate exposure with someone who has tested positive for COVID-19.
